Jefunira Camp

a cool way to spend your summer

January 2, 2014

Dear Parents,

Thank you for your interest in the Jefunira Camp leadership/CIT program. Our goal for the Leadership & Counselor in Training (CIT) program is to provide a fun and safe summer experience appropriate for older children (entering grades 7-9 in the fall of 2014). The experience will include leadership training and the opportunity to assume some daily responsibilities at Jefunira Camp, along with the fun and excitement that accompany the rest of our summer program. It is our hope that the CIT campers will begin to develop some of the skills that will allow them to assume additional leadership positions in the future, perhaps as counselors at Jefunira Camp!

It is important to remember that CITs are considered campers, not staff members. CITs will always be working with the help and support of Jefunira Camp staff members. CITs will not be put in a position where they are providing the primary supervision of campers. The cost to enroll a child in our CIT program will be $**899** per two-week session.

At times, the CITs will work together in their own group under the supervision of a Jefunira Camp staff member. They will use this time to meet and bond with other CITs; to learn how to help with the various camp games, activities, and responsibilities; and to receive feedback and support in their role as camp leaders. In addition, we will provide opportunities for Leadership/CIT participants to enjoy the richness of the activities and events that our camp has to offer.

Thank you for your interest in this program. If you have any questions, please do not hesitate to call. Space is limited, so we recommend that you apply as soon as possible.

Sincerely,
Jeff Gamble 650-291-2888
